I'm not looking for revenge
It's not easy to be friends
I'm amazed that you pretend
I'm amazed that you pretend

You think that you might make it easy on yourself
You said that this would never end
It's not easy to defend
I'm amazed that you pretend
Yes I'm amazed that you pretend

You think that you might make it easy on yourself
Don't push me too far
While I'm lost in the water
Every minute every hour
Don't push me too far
Every minute growing stronger
And the days are getting longer, oh

I'm not looking for revenge
Just looking for a hand to lend
Yeah, I'm amazed that you pretend
Yes I'm amazed that you pretend

You think that you might make it easy on yourself
Yeah, don't push me too far
While I'm lost in the water
Every minute every hour
So don't push me too far
Every minute growing stronger
All these days are getting longer
Too many times I've been so low
But now that's gone away
Changes what a difference
That I never rest to play
Been lost in the water
Where I could not give a dam
Now I know the song
She'll say, yeah

Yeah, Don't push me too far
While I'm lost in the water

Every minute every hour
So, don't push me too far
Every minute growing stronger
And these days are getting longer

And don't push me too far
While I'm lost in the water
Every minute every hour
Don't push me too far
Every minute growing stronger
And the days are getting longer
So Don't push me too far
While I'm lost in the water
Every minute every hour
