Lucy I have gone and lost  
Lucy she has jumped in the blue sea  
It was something I could see  
But I did not save her  
This was something I gave her  
I need to tell her I love her  
But I don't think this will save her now  
Is Lucy still alive, I hope she's all right  
Is Lucy still alive, I hope she's all right

She's the only one who knows  
If she's learned to breathe in the blue seas  
This is something I must see  
This would make me happy  
If I only saw Lucy  
Swimming round in the blue seas  
Makin friends with the fishes  
Lucy Lucy and blue seas now

Is Lucy still alive, I hope she's all right  
Is Lucy still alive, I hope she's all right

She's the only one who knows  
One day you'll come back to me  
Come on Lucy set me free  
Wipe that tear now from your eye  
A place now sits for you and I

Lucy, Lucy, Lucy, Lucy

Is Lucy still alive, I hope she's all right  
Is Lucy still alive, I hope she's all right  
Is Lucy still alive, I hope she's all right  
Yeah is Lucy still alive, I hope she's all right

Yeah Lucy's alive, I know she's alright  
Yeah Lucy's alive, I know she's alright

Lucy's alive yeah, Lucy's alive yeah

Lucy!
