Sitting in the summer sun  
Binding my time  
Waiting for the demons to go away  
No one knows when they come  
Or when they're gonna go away  
As long as they do we're okay, yes, we're alright

'Cause I had the time of my life  
Show me some love tonight  
You know I'll treat you right  
'Cause I had the time of my life

Woke up in the morning rain  
God knows where I slept again  
No recollection of the night  
Oh God, what's this I see lying next to me  
With a smile on your face  
We're alright, yes, we're alright

'Cause I had the time of my life  
Show me some love tonight  
You know I'll treat you right  
'Cause I had the time of my life

Ooh, yeah yeah, yeah yeah  
Yeah yeah yeah  
Yeah we're alright, yeah  
Yes, we're alright

'Cause I had the time of my life  
Show me some love tonight  
You know I'll treat you right  
'Cause I had the time of my life

'Cause I had the time of my life  
Show me some love tonight  
You know I'll treat you right  
'Cause I had the time of my life

I had the time, I had the time  
I had the time, I had the time  
I had the time of my life

I had the time, I had the time  
I had the time, I had the time  
I had the time of my life
