Today I raised my voice  
Shouting at the city  
Well, it never told me about you  
Then you arrived and you changed  
My anxiety  
With a lot of "love and peace"  
Well, you make me laugh  
You make me cry  
To discriminate against other women  
That's what you do to me  
(I would) walk a tightrope (for you)  
And I'd even kill for yo  
That's what you do to me  
And I never thought  
That it would be like this  
My body addicted to you  
That's what you do to me  
Uy, uy, uy, uy, uy  
And I never thought  
That it would be like this  
My body addicted to you

It's you

Shubi-ru-ru bombn de azcar

Shubi-ru-ru bombn de azcar

Shubi-ru-ru bombn, only you

I know that sometimes

I'm hard to figure out

But you always understand me

And everytime I enjoy

Your presence (company)

It's makes your absence shine

When you're not here.

Well, you make me laugh...

(I would) walk a tightrope (for you)...

Look at what you've done to me

In my mind a revolu.
