Heart, don't go back to her
That women has made my crazy
If I hug her I shake like a leaf
I don't know what to do anymore, help me
Heart, please
Take her out of my mind (head)
And we'll go back
To being alone
Heart, tell her goodbye
And don't turn around anymore
Or we're going to get dizzy
With her love, with her fatal love
Heart, don't go back to her
Heart, don't be passionate
She is a slow fire kissing me
What am I going to do with her, help me
Heart, please
Take her out of my mind (head)
And we'll go back
To being alone
Heart, tell her goodbye

And don't turn around anymore

Or we're going to get dizzy

With her love, with her fatal love

Heart, enough foolishness

Heart, forget her or you will cry

If I hug her I shake like a leaf

I don't know what to do anymore, help me Heart,
please Take her out of my mind.
