two hearts beating as one

that's all I think about

until my journey's done

ten miles, ten miles away

that's all that's left to go

until I see your face

oh my love

she says to me...

oh my lovr

I'm waiting for you

CHORUS:

hey I'm on my way

I guess you gotta feel the pain

won't be late

to teach your soul to pray

it's ok

your tears are like the rain

let's get crazy

come what may

come on

I wanna love you

baby gimme sexo...

lover, the moment has come

I'll give it all to you until I come undone

Lover, I live for your touch

so many nights alone

I've missed your kiss soooo much

Oh my heart

was hers to be Oh my love I'm livin' for you Repeat  
Chorus
