You will walk into a room  
You've got killer eyes that hypnotise  
You're dangerous  
Oh yeah, you're dangerous  
You've got a snaky kinda strut  
It's too hot to touch  
Can't trust a thing you do or say  
Gotta stay away

One by one  
You've gone from man to man  
Until your mission is done  
Chorus:

Jezabel, kiss and tell  
You use your body, just to cast  
Your spell  
And sell your story  
You're just a Jezabel, kiss and tell  
You ride the headlines like a carousel  
Of fame and glory

I'm going down your windin' road  
Around those killer curves  
That work my nerves  
You're dangerous  
Slippery and dangerous  
You've got a camera down your shirt  
You've got a slit in your skirt  
For your dirty work tonight  
Now ain't that right  
Here you come  
You've gone from bed to bed to bed  
And now the damage is done

[Chorus]

One by one  
You've gone from man to man  
Until your mission is done

[Chorus]
