Que sera oh que sera

The future will be, will be with us

I've seen the headlines

In the paper

They say the end is coming soon

I wanna make love till it's over

If I'm goin' down it'll be with you

CHORUS:

Let me love you for a day

Let me love you for a night

Let me take you far away

Into forever...Ay, ay, ay

I don't wanna let you go

Nena yo...

Let me undress your soul

Ay, ay, ay...

I can take you to another world

Never go

Let me take you home tonight

Que sera oh que sera

As the countdown's getting closer

There is madness in the air

I wanna be under the covers

Baby, in your arms without a care

CHORUS
