"Revolucion"

Hey, hey

I'm going to shoot at your loneliness

To save your heart

It's a revolution

Look at how my love is going to

Touch your love

In order to bring you salvation/save you

It's a revolution

I only want to disarm you once

To free you from your jail/prison of shyness

And within your arms sign for your release/your
liberation

Tonight the revolution has begun

Na, na, na, na,... na, na, na

Na, na, na

It's a revolution (Repeat)

Hey, hey

I'm going to fight

Against your prison

To save your heart

It's a revolution

Look at how my love is going to..

It's a revolution

Na, na, na, na,...na, na, na Na, na, na It's a revolution
(Repeat)
