Here i am

Broken wings

Quiet thoughts

Unspoken dreams

Here i am

Alone again

And i need her now

To hold my hand

CHORUS:

She's all,she's all i ever had

She's the air i breathe

She's all,she's all i ever had

It's the way she makes me feel

It's the only thing that's real

It's the way she understands

She's my lover,she's my friend

And when i look into her eyes

It's the way i feel inside

Like the man i want to be

She's all i ever need

So much time

So much pain (but)
There's one thing
That still remains (it's the)
The way she cared
The love we shared
And through it all
She's always been there
She's all, she's all i ever had
The world so cold, so empty
She's all, she's all i ever had
It's the way she makes me feel
It's the only thing that's real
It's the way she understands
She's my lover, she's my friend
And when i look into her eyes
It's the way i feel inside Like the man i want to be She's
all i ever need
