Can't touch the untouchable  
Rush the unrushable, crush the uncrushable  
It's reezy baby I make it look easy baby  
I'm certified heat, body the beat believe me baby  
You see me baby I'm brooklyn from the top of my fit  
To the letters that I got on my kicks  
This pairs is 1 of 50 not many can get  
But I got mine direct big shout out to clark kent  
I'm out to talk shit cuz humble got em snoozing  
And I'm tired of niggas asking if I'm still doing the  
music  
Tell em I'm out in munich, hamberg & medebach  
You gotta pardon if I missed a meeting on the block  
Nigga I'm on the clock on the job on the watch  
Mel & doug keep my wrist fluded unorthodox  
I'm the internal affairs front office ahk  
You ain't hear, like a balding spot  
Everybody say they spaulding stock is not ballin  
If you ain't on the 4g then stop calling  
And if it's under 4gs it's not all in  
That mean me & holla ain't performing  
I don't record for nobody don't believe in my worth  
So stop hashtaggin these labels when I'm dropping my  
work  
No shots if I was shooting lotta shit a get merked  
I just had to say it loud enough that shit a get heard  
Man this shit is unheard all this shit is my word  
And I could talk about bread but that shit for the birds  
I just talk em off the ledge my shit for the curb  
Nigga get a check on the 1st & broke on the 3rd  
Being broke is absurd pity party preferred  
It's daily bread cuz I give you the word, nigga church!
