Thinking back seems like yesterday
I was running free chasing shadows
On a summer day
I was flying high to places far away
Tell me why blue skies turned to grey

Sometimes things aren't always what they seem
Sometimes the truth remains unseen

Shattered, while I'm chasing down a dream
Shattered, a little time is all I need

Ride the wind all I ever wanted to do
Sail away in the seven seas so blue
A falling star can make your dream come true
Ding for a day in a castle made for two

Sometimes things aren't always what they seem
Sometimes the truth remains unseen

Shattered, while I'm chasing down a dream
Shattered, a little time is all I need
Shattered, while I'm chasing down a dream
Shattered, a little time is all I need

Burning sun blazing down on me
Crazy moon won't ever set me free
Painted sky such a sight to see
Give me time that's all I need

Sometimes things aren't always what they seem
Sometimes the truth remains unseen

Shattered, while I'm chasing down a dream
Shattered, a little time is all I need

Shattered, I been chasing down a dream
Shattered Shattered
