He's a badass, badass little boy  
threwed yung playa slangin candy red toy  
He's a badass, badass little boy  
threwed yung playa slangin candy red toy  
He's a badass, badass little boy  
threwed yung playa slangin candy red toy

haha ain't nobody as bad as me man  
I'm a badass little boy haha

[Lil Flex]

Post it up on the corner with more cheese than Ritz  
Eatin scrambled eggs and grits,  
watchin hoes do splits  
Fly bitch with tits, try to fit in my mix  
shit you think I'm bad now you should have seen me at  
6  
at the age of 11, I was breakin into houses  
stealin games, pocket change, stickin dick in yo  
spouses  
sellin crack, smokin sacks on a day to day basis  
about failed junior high and got kicked out of Hastings  
Serve places on the cool, I'm a goddamn fool  
Inquiring minds wanna know "why you treat us so  
cruel"  
Cause I'm bad to the bone, I act young but I'm grown  
18 with my own home, I'm the king on the throne.  
Me and Fee blown tree in the back of the lobby  
3 strikes, 2 assaults, and a third degree robbery  
You heard what they said I'm a badass boy  
Southwest in Houton Texas you gotta feel that boy

Chorus

[Lil Flex]

I walk the halls like malls, I role cigars like stars  
when the bell ring for lunch I return to my car  
Beep beep goes my pager, 911 must be major  
Check my wallet for a condom, that's my bitch, maybe  
later  
should I go and smash her stuff or shoot some hoops  
at the gym  
"Go report to the principle's office" That wasn't me that  
was him  
All lunches I'm there, shiny pieces that glare  
my shoes be Nike Air, "I gotta get me a pair"  
positioned boppers by lockers, just can't keep comin  
with them choppers  
I rip my dockers, they look gay huh, but I'm the young  
Betty Crocker  
who's bad with 2 pistols? got a mouth full of crystal  
runnin from the security guards while they are blowin  
their whistle  
skipped a week of detention and got 3 days  
suspension  
referral read "failure to comply, Flex would not pay  
attention"  
a lot of people say I'm good but I look very sneaky  
come here little girl, you seem like the type that'd be  
freaky

Chorus

[Cookie]

Oh girl look at him, he's a badass boy  
watch him slang in the lane with his candy red toy  
I bet you've never seen a throwed playa like him  
when we together we like Biggie and that girl Lil' Kim  
for every badass boy, there's a badass girl  
hop in and let me take you on a trip to my world  
My name is Cookie, I've never been a rookie  
remember back at school me and Flex shootin hookie

[Lil' James]

UH OH Think fast here come Lil' James' badass (awww  
shit)  
Smashin the gas, smokin grass, playin on the  
Dreamcast  
Playin music to confuse but don't choose to blow my  
fuse  
unless you want bad news cause I refuse to loose  
When I make my own rules, I'm grabbin my tools  
wreckin crews with no clues, I'm a fool on the cool  
They stay on the mash, quick to tip right past  
leave a splash, break them off showin nothin but ass

I'm a badass nigga that's why they call me Big Tetta  
That's why I'm shakin up every puck, cause my Benz is  
better  
Man! I'm slidin past as I go  
Sippin on 40's, women tarin off my clothes  
Man! Lil' Flex, why they wanna plex?  
Standin on the corner and holdin two tits  
Badass, badass little boy  
Badass, badass little boy  
Badass, badass little boy  
Who's bad?
