In she comes, the million dollar queen (oh yeah)
So stand back everybody
'Cause she's gonna make a sce-ene (gonna make a scene)

She wears a mean pair of jeans (tell me what you mean)
A mean pair of jeans (oh I see-ee what you mean)
And they're oh so tight (oh so tight)

When she moves, it only goes to prove
Her daddy and her mummy
Must have been right in the groo-oove (been right in the groove)

She wears a mean pair of jeans (tell me what you mean)
A mean pair of jeans (oh I see-ee what you mean)
And they're oh so tight (and they're oh so tight)

What she would say in her dancin'
Gets to everyone
What she would say in her denim
Well it really turns them on

She wears a mean pair of jeans (tell me what you mean)
A mean pair of jeans (oh I see-ee what you mean)
And they're oh so tight (and they're oh so tight)

What she would say in her dancin'
Gets to everyone
What she would say in her denim
Well it really turns them on

Here she comes, the million dollar queen
So stand back everybody
'Cause she's gonna make a sce-ene (gonna make a scene)

She wears a mean pair of jeans (tell me what you

mean)

A mean pair of jeans (oh I see-ee what you mean)

And they're oh so tight (and they're oh so tight)

What she could say in her dancin'

Gets to everyone

What she moves into denim

Well you really turn them on, yeah

A mean pair of jeans (tell me what you mean)

A mean pair of jeans (see what you mean)

Yes, a mean pair of jeans (tell me what you mean)

I said a mean pair of jeans (see what you mean)

A mean pair of jeans (tell me what you mean)

I said a mean pair of jeans (see what you mean)
