Close your eyes and count to nine.
Everything will turn out fine.
There's nothing on this planet that can touch you.

This cloud belongs to you and me.
There's nothing that we can't achieve...
Hang on to my hand, I'll protect you.
I never, never will neglect you.

Safe inside our tapestry...
The only place for you and me.
Hang on to my hand, I'll protect you.

Close your eyes and count to nine.
Everything will turn out fine.
There's nothing on this planet that can touch you.

This cloud belongs to you and me.
There's nothing that we can't achieve...
Hang on to my hand, I'll protect you.
