I was still watching  
when you fell asleep  
when you laid your head on my arm  
but I was still sleeping  
when you walked away  
when you closed the door to move on

And I decided to  
search the world for you  
I decided to give it all

But I was too weak gave up on it all  
said anything goes in love and war  
yeah I'm giving up searching  
said I'll never gonna fall again  
'cuz love never comes when you call

Then I laid eyes on you  
and all the songs came true  
I'll do anything for you

So here comes another  
just like all the others  
what's wrong with a silly love song?  
I will always love you  
you're always on my mind  
ps: I love you"
