Waiting for the sun to come to guide me into hell and
gone
Angels falling from the sky, with broken wings they
cannot fly

Don't turn away, every time we talk about it.
Don't turn away, every time we talk about it
Every time we talkâ€¦.

â€¦.you take my time, don't waste my time
How can Iâ€¦
â€¦.re-raise your mind when both eyes are blind?
How can I?

Once again I'll fake a smile and lose myself for a
while
Remember to forget to hate, show me how to tolerate

Don't turn away, every time we talk about it.
Don't turn away, every time we talk about it
Every time we talkâ€¦.

â€¦.you take my time, don't waste my time
How can Iâ€¦
â€¦.re-raise your mind when both eyes are blind?
How can I?

How can Iâ€¦â€¦.re-raise your mind ?

â€¦.you take my time, don't waste my time
How can Iâ€¦
â€¦.re-raise your mind when both eyes are blind?
How can I?
