"I was still watching
when you fell asleep
when you laid your head on my arm
but I was still sleeping
when you walked away
when you closed the door to move on

And I decided to
search the world for you
I decided to give it all

But I was too weak gave up on it all
said anything goes in love and war
yeah I'm giving up searching
said I'll never gonna fall again
'cuz love never comes when you call

Then I laid eyes on you
and all the songs came true
I'll do anything for you

So here comes another
just like all the others
what's wrong with a silly lovesong?
I will always love you
you're always on my mind
ps: I love you"
