This some shit to get high to, just ride to  
In a whip with a bad bitch beside you  
Just doing my thang, I've been living like a pimp  
The type to get some money, you ain't been the same  
since  
Got some weed and some liquor in my cup,  
Ladies go nuts when my car pull up  
Just doing my thang, I've been living like a pimp  
The type to get some money, you ain't been the same  
since

Feel asleep with some pussy, woke up to head  
Lit the kush up, call in breakfast in bed  
I did came a long way from the life on the ...  
... some bread  
Hopped out the shower do all my thangs  
Time to clock in and see how much money I can get  
They say you ain't shit if you ain't got shit so  
I'm the shit, cause bitch I'm rich  
I jumped in the Porsche time to make my rounds  
And hit about my licks out to...  
Wish all my dead partners could see me now  
Niggas all locked up, who wanna be me now  
I'm on 4 5 posting, one deep smoking  
Heater on my side, if a hater start approaching  
Sun roof open, no clouds in the sky  
Chunking ... when I ride by

This some shit to get high to, just ride to  
In a whip with a bad bitch beside you  
Just doing my thang, I've been living like a pimp  
The type to get some money, you ain't been the same  
since  
Got some weed and some liquor in my cup,  
Ladies go nuts when my car pull up  
Just doing my thang, I've been living like a pimp  
The type to get some money, you ain't been the same  
since

...these hoes wanan ride, but a nigga don't let them  
And hoes on my dick but a nigga don't sweat them  
He never gave a fuck, ain't bout to give a shit  
Still smoking my blunt, ... yelling I did  
Yeah, you better let a nigga fuck somethin'  
You fall back if you hoes ain't sucking nothin'  
I stay puffing, og kush, ... like my last name bush  
A nigga gotta push to the motherfucking limit  
I talk this shit cause I motherfucking live it  
I see it in your gimmicks, ... ass niggas  
Can't be yourself, old boring ass niggas  
I ... past niggas in that new thang  
Riding top down, with a ... boo thang  
Stand too fly... take it to the crib, lay the...we gonna do  
thangs

This some shit to get high to, just ride to  
In a whip with a bad bitch beside you  
Just doing my thang, I've been living like a pimp  
The type to get some money, you ain't been the same  
since  
Got some weed and some liquor in my cup,  
Ladies go nuts when my car pull up  
Just doing my thang, I've been living like a pimp  
The type to get some money, you ain't been the same  
since

Get money like this, give good head but it never pay  
the rent  
I'm in the old school stand, ...  
Keep playing games, you be staying on the bench  
Tell her put my name on her tits  
Say I'm coming to your show, put my name on the list  
Nah, I got a new thang coming through  
Small waist, fat ass, look like a size coop  
When you hit that ... I'ma take you to Taco's  
And when I'm in the ages, take me to ...  
Every time I see macky ...  
Slim and the wide body, dodging all the...  
Had 2 bottles damn but all the hoes..  
We can get more if they talking about fucking...

This some shit to get high to, just ride to  
In a whip with a bad bitch beside you  
Just doing my thang, I've been living like a pimp  
The type to get some money, you ain't been the same  
since  
Got some weed and some liquor in my cup,  
Ladies go nuts when my car pull up  
Just doing my thang, I've been living like a pimp  
The type to get some money, you ain't been the same

since.
