Back in that ... with a cup full of that cash  
Got that 44 with my stash, wood on the wheel and all  
on my dash  
Hold up, when I lean, nigga pour up  
Hoes drinking they neck when I show up  
Got them ... on ice, I'm trying to get high  
Girl you ain't too fly, bitch you're rolled up  
Know what? I'm killing these niggas, ...flows ain't  
feeling these niggas  
... ain't with the dream, ain't dealing these niggas  
Bitch I ... hoe I shine, came with the bullshit, I'ma get  
mine  
I'ma go hard while you stand in line  
Ain't no nigga gonna mess my grind  
You watch your mind I'll get tight  
For hoes in the low that's sit right  
Laid back in the Lex with the...gotta do your shit like  
Ain't ... we game, ain't fucking with you lames  
Did you see that piece of chain, I'ma hop up in the  
game, nigga  
Hop in the motherfucking game, that's god damn right

We are here hustling y'all, gotta get this motherfucking  
paper main  
Ain't no use sitting round bullshiting man  
We gotta get this nigga  
Work it hard main, you know what I'm saying
