Do you believe in friendship,
That one which lasts forever?
Do you believe in friends devotion,
No matter the circumstances?
I can't forget all the time
we spent studying together
I always felt so close but
there was always fear.
I never stopped wandering why
do I get jealous when they stop
and stare or talk to you ,Siba .
Did I come in the wrong time?
You know the time you asked me
what do I think of you?Well,
Sensational,Intelligent,
Beautiful,Ambitious,
that's what SIBA is all about.
Only losers can't like you this way.
My only dream was to make you smile
I guess I couldn't do it.
Trying to make you ready to hear me

ended up with failure, I think.

only twice in my life

have I held your hand.

Sorry girl, but I can't

get you of my mind.

Maybe one day you'll hear my song

you'll call me on the phone(620228)

and you'll tell me what's the cure

'cause I can't get you out of my mind
