You walk in the room, quietly look around
sugar straighten your tie
Satin and steel, what are you waiting for
come and give us the eye

Oh, it's hard to be a loner
hard to be a loner, hard to be a ladies man
Hard to be a loner, hard to be a loner
hard to be a ladies man
Easy come, easy go
Easy come, easy go

Oh what a night, was there a night like this
have I met you before
Oh, what a smile, was there a smile like yours
let me pour you some more

Oh, it's hard to be a loner
hard to be a loner, hard to be a ladies man
Hard to be a loner, hard to be a loner
hard to be a ladies man
Easy come, easy go
Easy come, easy go
Easy come, easy go
Easy come, easy go

Many hours from now
they'll turn on the lights
the moment of truth
what are you waiting for

Oh, it's hard to be a loner
hard to be a loner, hard to be a ladies man
Hard to be a loner, hard to be a loner
hard to be a ladies man
Yes, it's hard to be a loner
hard to be a loner, hard to be a ladies man
Hard to be a loner, hard to be a loner
hard to be a ladies man
A ladies man
Easy come, easy go

Cause, it's hard to be a loner
hard to be a loner, hard to be a ladies man
Hard to be a loner, hard to be a loner
hard to be a ladies man

Yes, it's hard to be a loner
hard to be a loner, hard to be a ladies man
Hard to be a loner, hard to be a loner
hard to be a ladies man

Easy come, easy go
