"Hold on To The Night"

Richard Marx

Just when I believed I couldn't ever want for more.
This ever changing world pushes me through another
door.

I saw you smile
And my mind could not erase the beauty of your face
Just for a while,
Won't you let me shelter you.

Hold on to the night
Hold on to the memory
I wish that I could give you something more,
That I could be yours

How do we explain
something that took us by surprise
Promises in vain
Love that is real, but in disguise
What happens now
Do we break another rule, let our lovers play the fool?
I don't know how to stop feeling this way

Hold on to the night
Hold on the memory
If only I could give you more...

Well, I think that I've been true to everybody else but
me
And the way I feel about you makes my heart long to be
free
Every time I look into your eyes I'm helplessly aware
That the someone I've been searching for is right there

Hold on to the night
Hold on to the memory
I wish that I could give you more....
Hold on to the night
