Your eyes burn through me,
Oh, like a raging fire.
I fall blissfully,
Everytime you say just one little word.
You know it makes me crazy.
You ask way too much,
Oh, when you say that I can look but do not touch.
I have never wanted any other girl
The way I want you, baby.
I surrender to what I can't control.
Drunk with desire, I've opened up my soul.

You know I would go around the world, I'd take you
anywhere,
Oh, baby anywhere,
For a touch of heaven.
Tell me what you want, I'll give you anything,
Oh, baby everything,
For a touch of heaven.

I have dreamed of this,
Your body next to mine,
Drowning in every kiss.
How I've longed to find my one and only girl,
And I found her in you, baby.
All I ever wanted is everything that you are.
Don't leave me longing,
Be tender with my heart.

[Repeat Chorus]

Everyone says you've been leading me on.
Too late for warnings, I'm already gone.

Ooh, I surrender to what I can't control.
Drunk with desire,
I'm giving you my soul.

[Repeat Chorus]
