Lately I've been trying  
To fill up my days since you're gone.  
The speed of love is blinding,  
And I didn't know how to hold on.

My mind won't clear.  
I'm out of tears.  
My heart's got no room left inside.

How many dreams will end?  
How long can I pretend?  
How many times will love pass me by,  
Until I find you again?

Will the arms of hope surround me?  
Will time be a fairweather friend?  
Should I call out to angels,  
Or just drink myself sober again?

I can't hide, it's true.  
I still burn for you.  
Your memory just won't let me go.

How many dreams will end?  
How long can I pretend?  
How many times will love pass me by,  
Until I find you again?

I'd hold you tighter,  
Closer than ever before.  
Yeah.  
No flame would burn brighter,  
If I could touch you once more,  
Hold you once more!

[Guitar Interlude]

How many dreams will end?  
How long can I pretend?  
How many times will love pass me by,  
Until I find you again?

Until I find you again...
