(Music and lyrics by Richard Marx)

Your situation's in need of help
You're gettin' so you don't know yourself
You wear his ring like a cheap disguise
But I can see you got wandering eyes
Don't believe it's just the clothes that make the man
No one else can love you like I know I can
I got what you want takes more than money to turn you
on
I got what you need
C'mon baby take a chance on me

Somethin' 'bout your smile seems counterfeit
It ain't in your to be a hypocrite
So he's got a mansion got lots of cash
You live like a queen but feel like trash
I can save you if you put your heart in mine
Baby, can't you see we're two of the same kind.
Yeah

chorus

Baby, there ain't nothin' keeping chains on you
Don't you let your head make up your mind

I can't get you off my mind
I'm afraid I may go blind
Won't you let me take you for a ride.
Yeah
