You were cool, yes you were,
I fell in love like a girl,
Living in a picture perfect world!
Something can't sneak in underneath;
And we bottled it up,
'Till we both had enough and we make a scene!

Chorus: (x2)
All these broken bottles, bottles
That we all torn up,
Look at all the glass on the floor!
Bottles, bottles, yeah we mess things up,
And I don't even know what we're fighting for!

Love is for empty hearts,
Why you give your heart away?
You never know how they bring me ...one day!
All I wanted was for us to have trust,
But I guess it wasn't good enough
The only way ...wasn't meant for us
Even though we tried!

Chorus: (x2)
All these broken bottles, bottles
That we all torn up,
Look at all the glass on the floor!
Bottles, bottles, yeah we mess things up,
And I don't even know what we're fighting for!

Look at us now,
Fighting more!
Look at us God,
We fight so more!
It's all we do,
Not all that's left of me and you!

Chorus: (x2)
All these broken bottles, bottles
That we all torn up,
Look at all the glass on the floor!
Bottles, bottles, yeah we mess things up,
And I don't even know what we're fighting for!

Can't remember what we're fighting for!
