Iã,Â´m gonna go out fishing  
And see what I can find  
Iã,Â´m gonna go out fishing  
And leave my troubles behind

but when the fish out in the lake  
they can sense my pitiful fake  
I tend to have a hard time  
Hot damn! Look what a mess I made

Iã,Â´m gonna go out fishing  
Iã,Â´ll try the best that I can  
Iã,Â´m gonna go out fishing  
Try to prove that Iã,Â´m a man

But everytime they see me coming  
Near them all the fish just  
Tend to go fishing with me

Iã,Â´m gonna go out fishing  
Iã,Â´ll try the best that I can  
Iã,Â´m gonna go out fishing  
Try to prove that Iã,Â´m a man  
But everytime they see me coming  
Near them all the fish just  
all the fish just  
all the fish just  
all the fish just

I said all, all the fish just  
I said all, all, all the fish just

You know I, I tried the best  
But now I'm going out for the rest  
I tried to prove, that I'm a man  
But then I proved that I'm a scan

Hey fish, where y'all going tonight  
You wanna leave me now, heyhey  
all the fish just  
Tend to go fishing with me
