Physical Funk

Now what makes the world go round besides checks?
Everybody give it to me S-E-X
Now with the proper equipment, it works best
And nothing less, relieves stress
Now if she says yes, you know I gotta knock it
Cause you saw me poppin like Orvell Redenbacher
In case you need a notion, Hennessey's the potion
Hit the climax if you want the sex lotion
CUM CUM now are you really that umm Dumb Dumb
On these cool procedures bout gettin some some
Putang, when it comes to "P" I'm a "G" and
Daddy never taught me bout the birds and the bees
But I, took a hint and with a little motion
Stuck it in a chick and had her flowin like an ocean
And now I gotta have it, just like a rabbit
Fuck Fuck Fuck with the semi-automatic

-Chorus-

Cause OOOOOOOOOOOO I like that Physical Funk
Ohhhhhhhhhhhhhhhhhhhh I like that Physical Funk
I-I-I-I-I like that Physical Funk
Especially the kind with that junk in the trunk
OOOOOOOOOOOOO I like that Physical Funk
Ohhhhhhhhhhhhhhhhhhhh I like that Physical Funk
I-I-I-I-I like that Physical Funk
Especially the kind with that junk in the trunk

Now if I choose you lady, Baby Baby Baby
If you and I can practice making babies
But heres a little something that you should know
I don't test the rain without the raincoat
Now if you one of those who don't like a rubber on your
lover
Then the niggie Domino can truely find another
Wait... for me to give you a sex shower

And the good thing about it is it don't take an hour
For me to go from attention to at ease
Baby, try to take an easy on me please
Sexy ass freak, your love is so sweet
But you can kill a man with the tip of your teeth
So not too slow and not too fast
And I like to see a sexy with a string in her ass
Now tell me, are you that chunk of the month?
Then maybe we can share a little Physical Funk

-Chorus-

So now you know, Physical Funk is the Pump
And the bump which I like to stunts
And this is how I do it, back in the hood
Can't seem to go without nature's feel good
Cause homies like to feel that wet up and down
And ladies like to feel it deep round and round
And just to put this bomb ass track in context
Everybody with me if you like sex

OOCHIE COOCHIE LA LA LA OOOCHIE COOCHIE
OOCHIE COOCHIE LA LA LA OOOCHIE COOCHIE

And nothing like liquid love between the sheets
And if your not a virgin then you'll agree
Its always so good when junks in your trunks
Physical Funk

-Chorus X2-
