Intro:

He said, you may not be doin' it right,
But I always get my way.
Is it the way that I twist my big hips,
That mak the bad boys all flip the script.
I get my mini-skirt,
Look into my eyes then I lick my lips.

Verse one:

When I'm in my room I need your concentration,
I climb on my bed, open my legs... ejaculation.
Then I lay back to get in the perfect situation,
You know what I'm saying, never keep a girl like me
waiting,
Don't keep me waiting.

Chorus:

Bet she can't do like I do it,
'cause when I do I throw my back into it.
And if you doubt me then let me prove it,
'cause I can turn you out.
(repeat x2)

Verse two:

When I'm on the phone I like to talk nasty,
You can call me late at night, tell me what you wanna
ask me.
What am I wearing, what is the color of my draws,
In my bed, I'm your girl, I hit you with the yes-yes-y'all,
Yes-yes-y'all.

Repeat chorus

Break:

I'ma give it to you boy like all night,
I'ma make sure I treat you right.
I don't wanna be rude or impolite,
But I bet your girl don't do you right.

Repeat chorus

Bet she can't, bet she won't,
But I will, if she don't,
If she won't, I got the goods baby.
(repeat x2)

Outro by missy & puffy:
Bad boy, missy, total, misdemeanor, puff daddy,
One time, hit me, two times, out.
I'ma give it to you boy like all night,
I'ma make sure I treat you right.
