Rap (indo g):

Now c'mon and tear da club up,
Toss and floss 100,
Even if you don't want it,
But if ya got it flaunt it.
Angeldust get the jail break,
What the cuff locked up.
Snakes can slither like robbers into a bank,
My idea of a joke is no high school prank.
Call me on da phone and see what ya want,
Cause my three 6 mafia presents world domination.

Verse one (keisha):

Couldn't always pay ya back,
Because I knew you would go buy crack.
I can't believe that he dropped me,
But now I know ya got me ohhhh.

Chorus (total and three 6 mafia):

Couldn't bring home the bacon,
Prepare for a world domination.
Couldn't bring home the bacon,
Prepare for world domination.

Verse 2 (kima):

Hey baby before we get in the mood,
What kind of work do you do?
Can ya bring home the bacon,
Or must I do it?
(pam)
Only you know about what you say boy,
Can you bring home the bacon or what?
Ohhhhh

Repeat chorus

Rap (gangsta boo):

Ready to tell you all,
That I like to ball take me to the mall?
Bring home the bacon cause satisfaction is waiting,
Anticipation can chill wit cream,

And still play it all mean.
Take it to the wrist the ice and the diamonds,
We can do the french kiss once I know what your about,
There can be a miracle when you believe,
Because I ride in a b-e-n-t-l-e but y?

Repeat chorus
