Chorus:

Boy I got this crave,  
Your love's got me dazed,  
This feeling's out of control.  
Boy you're on my mind,  
Need you all the time,  
I gotta have you tonight.

Verse one:

Feenin' for you baby,  
I am needin', hope you don't say maybe,  
Give me all that I am cravin' baby,  
Tonight.

Bridge:

I never settle for less,  
'cause baby they're second best,  
I've gotta have you tonight.  
Desire's gettin' so strong,  
Oh baby I can't hold on,  
What can I do if I can't stop the crave?

Repeat chorus

Verse two:

My body's achin' for you baby,  
Come home to me, I am cravin',  
... lovin' baby,  
I want you, I want you tonight.

Repeat bridge

Break:

Boy only you thrill me,  
Not another can fulfill me,  
Baby baby, you're my cravin',  
Gotta have your lovin' tonight.

Repeat chorus to fade
