[Girl]

Aye yo bitch turn the fuckin' music up
You fuckin' bitch
I heard you've been fuckin' with my man
What kind of friend are you?
What's goin' on what am I dealin' with?
(wah wah wah wah wah wah)
I can't believe it
You call yourself a fuckin' friend
I should stamp on your face right now
Fuck you bitch
Don't look don't look at me
You call yourself a friend

[Pam]

I feel so bad
For lovin' my homegirl's man
I tried
(you call yourself a friend)
I swear I tried
(wah wah wah wah wah wah)
And it's so sad
That she don't know, all of it
How long it goes
(you call yourself a friend)
I tried

Chorus

I know I'm wrong
But I can't help it
I tried to block you out my mind
But I can't help it
For real you know I tried

I tried
(wah wah wah wah wah wah)

I know I'm wrong
But I can't help it

I tried to block you out my mind
But I can't help it

(you call yourself a friend)
I tried

It's a shame
When I'm with you, I can't maintain

Baby, believe me
When I say, I really
Tried my best not to let you know
Wanna be wherever you go
Got the biggest crush on you
For real I tried, and that's the truth

Baby, believe me

Tried my best not to let you know
Wanna be wherever you go

Got the biggest crush on you
For real I tried, and that's the truth
