Chorus:

I've been looking for someone like you,
Oh, tell me you're the one.
(repeat x2)

Verse one:

I never knew how much I felt for you,
Until you came walking into my life.
See I've been looking for somebody to love me,
Are you the one that I've been searching for?

Repeat chorus

Verse two:

If you take a look at me I'm so sure you'll see,
That I'm all you need and more.
I want you here by my side, it's only right,
'cause it's you I've been looking for.

Repeat chorus

Verse three:

Where did you go when I needed you most,
It's not the same without you.
I need you here by my side so stay close,
I'm not the same without you.

Repeat chorus

Verse four:

In my heart I always knew you'd be the one,
Why can't you see that you're the only one for me?
I've been looking for you.

Repeat chorus to fade
