(featuring The Notorious B.I.G.)
You just don't know what you do to me...

Rap by Notorious B.I.G.:
Give me all the chicken heads
From Pasadena to Medina
Bet Big get in between ya
Then pick the prognosis, doses
Blends and Bends like Twizzlers
Biggie's fitting to hurt
What's under that skirt?
(Slow down, n*gga, you're killin 'em)
Who fillin 'em with octane?
Got 'em gassed up
'Bout to get blast up, sup
The last one, word to your mother
Brother, listen
I've seen it when he kissed 'em at the way
Made his body shake
The high tide it 8 50 I's smoke tank
Rap terror whore crow and terror, true
Fly by the rivers but this is conspicuous
Bad Boys slipped in ninety-five ridiculous
My rap's rhymes is like land mines
One step, ka-boom, black suits fill the room
To whom it may concern, Junior Mafia's the click
Act up, I'll have my honeys Total bust your sh*t

Verse 1:
In the middle of the day now baby,
I seem to think of only you.
Never thinking for a moment baby,
That you'd be thinking of me too, yeah.
So I can't wait for the day,
That we can be together,
I can't let you walk away.
Oh, can't you see, you and me,
Were meant to be, oh baby,
And there's nothing left to say.

Chorus:

Oh baby can't you see,
What you do to me?
Our love was meant to be,
You were meant for me.
(Repeat)

Verse 2:

Every time I see you,
I get this feeling, oh yeah.
Telling me you are the one,
Oh, what a feeling.
I can't wait for the day,
That we can be together,
I can't let you walk away.
Oh, can't you see, you and me,
Were meant to be, oh baby,
There's nothing left for me to say.

Repeat Chorus

Bridge:

You take me away, so far away,
Oh what you do to me, oh, oh.
I wanna be alone together,
Somewhere just you and me, oh, oh.

Repeat Chorus to fade

Our love was meant to be,
Our love was meant to be.
(Repeat to fade)
