I feel so bad
Been loving my home girl's man
I tried, I swear, I tried
And it's so sad that she don't know
How far away, how long ago
I tried, I tried

I know I'm wrong but I can't help it
I tried to block you out of my mind
But I can't help it
For real you know I tried, I tried

I know I'm wrong but I can't help it
I tried to block you out of my mind
But I can't help it
For real you know I tried, I tried

It's a shame
When I'm with you, I can't maintain
I tried, God knows I tried
I don't know what to do
To make these feelings go away
I tried, I swear, I tried

I know I'm wrong but I can't help it
I tried to block you out of my mind
But I can't help it
For real you know I tried, I tried

I know I'm wrong but I can't help it
I tried to block you out of my mind
But I can't help it
For real you know I tried, I tried

Baby, believe me, when I say I really
Tried my best not to let them know
Wanna be wherever you go
Got the biggest crush on you
For real I tried and that's the truth

Baby, believe me, when I say I really
Tried my best not to let them know

Wanna be wherever you go
Got the biggest crush on you
For real I tried and that's the truth

I know I'm wrong but I can't help it
I tried to block you out of my mind
But I can't help it
For real you know I tried, I tried

I know I'm wrong but I can't help it
I tried to block you out of my mind
But I can't help it
For real you know I tried, I tried
