Stay Thugged Out, never wear shit thats shinnin'

When I beef and look up, around and behind me

Still on my p's and q's, then let a nigga kill me

Be here fo' a minute, can't let a nigga steal me

Bustin' heads:'Bout Dat, Duckin' Feds:I'm 'Bout Dat

Let a nigga play me like a hoe, ssshit I doubt that

I'ont just jump off the post, nigga I been around

Uptown where I'm from, quik to lay it down

On the real nigga, I've been doing this shit

Runnin' through hallways and cuts wit k's and shit

Nigga don't get it twisted, I bust yo' head and shit

Leave you where ya stand:paint yo' shirt red and shit

I'm straight, going back to N.O. and show love

Sprinkle rose in the hood, they goin' think it was a flood

Try something:Fake a human, buy something

He must be stupid and he wanna die cousin

Cause I ain't no hoe, neva' been, neva' will
