I'm not gonna fight, and I'm not gonna die
I'm not gonna listen to what you say
There's a lesson to be learned or the country will burn
so I'm calling you out for a Civil War today

WAR-I pledge defiance
YEAH-The country will burn

From our civil rights to civil war
where the rich get richer and the poor get poorer
There's a lesson to be learned or the country will burn
So I'm calling you out for a Civil War today

[Repeat Chorus]

We got our own fight and we're going to unite
We're going to overthrow the Government today
There's a lesson to be learned or the country will burn
So I'm calling you out for a Civil War Today
