Comin at you  
Come again  
[X3]

#### [VERSE 1]

I'm on the refirst verse yo I'm comin kinda swift  
Bust the lyric and the lyric that goes like this  
I can flow with the best and keep a crowd jumpin  
Like the niggaz for life and we always into something  
Star takes it away little G's got to have it  
Now it's back to the lab so I can start bamalamin  
Cause Toss is like kick it and I love to eat chicken  
From south with applause and the nine is straight  
clickin  
M dogs Hip hogs it's a sucker free movement  
Yo Pete what up T show these suckers how it's done G  
Get up on the mic and bust a funky ragamuffin

#### [CHORUS]

Me come again me comin comin again  
Me comin at you so hard you say please come again  
Me ragamuffin rappen and me come a little faster  
So pass the raster to the ganja master puff puff puff

#### [VERSE 2]

In 1991 I had to get out of the dope game  
I'm slangin weed and a little bit of cocaine  
Just pushin rocks on the corner on a park bench  
I made a lot of dollars but it didn't make cents  
It's easy money cause the hogs are highly organized  
One hit and a smoker stays hypnotized  
They come again comin again and it's a pity  
Cause now their all chinked out like blinky in new jack  
city  
They try to quit but then the hitter calls them back  
So they say don't come come near me no more  
Don't come near me no more I don't want no crack  
This smokin fantasy makes me feel irate  
Sticky sesamea pipe may we love gonjie  
So pass me the spliff and you know that I be token

I couldn't keep track of all the weed I'm smokin  
They ask me will I quit I say you must be jokin  
Cause I'll be smokin till my funky brain is broken  
And even then you know I still wont be the end  
Cause me comin at you so hard you tell me please  
come again

[CHORUS]

[VERSE 3]

It's been a long time comin so punks start runnin  
And if you cross my line you bet your ass will be gunnin  
I gonna rap hoes right next to the sewer  
Call me brother black hip hop contersuer  
Ground bracken fanatic Quban Asiatic  
And if you want beef I'll give you asmastatic  
A mover and a shaker big time a money maker  
I'll make you follow me and I'm out of here later  
Before I make and exit my microphone I check it  
Then I put down the mic cause I'm microphone reckless  
Now hold up just a second cause this is for the record  
And when I swing my thing then all the honey girls get  
naked  
Then it's like my duty to grab some naked booty  
But I always flash the latex when I'm sexin up a cutie  
Cause I'm the horny man the freakin reakin Mexican  
And me comin at you so hard you say please come  
again
