[CHORUS]

Preferably the sensamilla spliff and smoke the first one  
(repeat 3)

I drink twenty 40's and smoke forty blunts (repeat 2)

[VERSE 1]

I give praise to the ganja smokers spliff with the  
dreads

Mr. Tone gets stoned and they label me a pot head

Because I come again and many clouds of smoke

The cloud nine shit and a brand new joint

The fat blunt caper so hand me the paper

Niggaz on the dick so I guess they cause a vapor

I turn up the switch deliver the pitch

And I could give a damn about a low life BITCH

I be scoopin and a scrapin and a twistin and a rollin

My days fucked up cause my blunt got stolen

Now somebody got me for my twenty sack

Well lick here punk I want my endo back

I'm searchin through the crib chewin on a rib

And I can't find my blunt and this shits kinda sticky

Don't give me no bama cause I'm cool on a dooky

And I gots ta get paid like that Brooklyn nigga Mooky

Now I'm hangin on the block with my nigga find that

nappy

Now that tray found a blunt don't worry be happy

I'm a rhymin ass nigga and my homies call me

chocolate

And when I hit the skins all the hoes call me pappy

I'm the Soopa so watch me kick it

The Soopa Doopa come down wicked [repeat]

[VERSE 2]

Yo it's the fat blunt caper it's a pot heads dream

Then I pass the mic to my nigga Rhyme scheme

So fuck the brain shit swista spliffed up zig zag brain

hits

The greener the grass grows the toffer smoke fills I'll

skills

Ruffin up the ripper blunts plus go fronts steps

childster

We kid a little up lift loosely slip lift in your limelight  
Swingin is the dicka tempa head rush  
Swimmin in the mechanism chemicalhempism  
Asses on your ceiling I'm burning your Philly blunt  
Straight with my first verse perverse what's worse  
A pocket full of cash or red hash quick stash deliver  
Fat blunt caper but yo it's dope but never doper then  
humble

Who's the nigga that's runnin this you figure  
It's a schemer hittin endo hoes that might seva  
Roll up a fat one pass one but bigga then the last one

Pass out punk get the futon

[CHORUS]

It's the Fat Blunt Caper yo, The Soopa Doopa,  
The Rhyme Scheme and the Rosta red eye,  
I'm about to break it down let you know  
What happens to a young player  
With a little bit of money a little bit of fame  
And a whole lot of dick you know what I'm sayin  
We got to protect ourselves in the nine tray  
These hoes out to get us everyday  
And they rollin deep so don't sleep

[VERSE 3]

Well I'm high off the dank and drunk off the drank  
So I'm checkin bank roll fuckin with a stank ho  
Hey yo bitch can I pop that coochie  
Don't front cause I know your a hoochie  
And your friend she a looker too  
Take a look at you it's the hooker crew  
I love your smile but she's got back  
And baby looks like Janet Jackson  
This is gonna be a tough selection  
Cause this bitch looks better then the next one  
I got a plan and I bet you know well  
Meet me later on at the hotel  
Cause you know I got a ganga weed  
And something that I think your pretty ass might need  
Later on I know I'm fuckin someone  
Cause my dicks cocked up like a shotgun  
Plus I got me a box of condoms  
I play it safe when I whips it on them  
Me comes down pump pump  
Let me fuck let me flex let me sex hittin like a mac truck  
Baby said that she liked it rough  
So I hit that pussy till she said she had enough  
So check it out y'all heres the caper

She came back and tried to say that I raped her  
She got a lawyer and she wants to sue  
But no baby I'm not going to be able to do  
I said sike I aint going out like mike  
And I don't think that it's funny  
When your fuckin with my money  
Yeah so that's when I had to flip the caper  
Cause the horny man video taped her  
And the Judge couldn't say a thing  
Cause she was riddin on my dick like a porno queen  
So this is going to that crocked bitch  
You can suck my dick while I light my spliff
