Johnny can't read, Johnny can't write  
Johnny ain't have much of a life  
Oh yeah, oh yeah, oh yeah

His father told him to be a marine  
To fight a war he did not believe in  
Oh yeah, oh yeah, oh yeah

Johnny told his father, he just could not  
Don't wanna live his life that way  
Oh yeah, oh yeah, oh yeah

Johnny always thought there was something wrong  
Day by day singing his fathers song  
Johnny don't want to live his life that way  
Now day to day, dying the military way

Johnny was rough, Johnny was tough  
But not tough enough to just say no  
Oh yeah, oh yeah, oh yeah

Johnny went down to sign up that day  
They sent him down to basic training  
Oh yeah, oh yeah, oh yeah

Johnny always thought there was something wrong  
Day to day singing his fathers song  
Johnny don't want to live his life that way  
Now day to day, dying the military way

Johnny can't read, Johnny can't write  
Johnny didn't have much of a life  
Oh yeah, oh yeah, oh yeah

His father told him to be a marine  
To fight a war he did not believe in  
Oh yeah, oh yeah, oh yeah

Johnny was rough, Johnny was tough  
But not tough enough to just say no  
Oh yeah, oh yeah, oh yeah

Johnny went down to sign up that day  
They sent him down to basic training  
Oh yeah, oh yeah, oh yeah

Johnny always thought there was something wrong  
Day to day singing his fathers song  
Johnny don't want to live his life that way  
Now day to day, dying the military way

Johnny went to a foreign land  
He died in the hands of a foreign man  
We'll always remember Johnny in his last days

Johnny went to a foreign land  
He died in the hands of a foreign man  
We'll always remember Johnny in his last days

Johnny went to a foreign land  
He died in the hands of a foreign man  
We'll always remember Johnny in his last days
