Don't got no time left, I've lost my home  
Standing on the streets, man, I'm all alone  
No job, no girl, nothing my own  
Looks like I've got no future, my life is gone

Well, I don't care  
Not anymore  
My life's not fair  
I'll even the score

Well, I don't care  
Not anymore  
My life's not fair  
I'll even the score, score

You can't take it, I can't take it  
I think I'm out of control  
You can't take it, I can't take it  
I think I'm gonna explode

You can't take it, I can't take it  
I think I'm out of control  
You can't take it, I can't take it  
I think I'm gonna explode

I'm living on the edge, with nowhere to go  
Looks like I've got no plan, no not anymore  
I've got to get my life back, got to get control  
Looks like I've got no future, my life is blown

Well, I don't care  
Not anymore  
My life's not fair  
I'll even the score

Well, I don't care  
Not anymore  
My life's not fair  
I'll even the score, score

You can't take it, I can't take it  
I think I'm out of control

You can't take it, I can't take it  
I think I'm gonna explode

You can't take it, I can't take it  
I think I'm out of control  
You can't take it, I can't take it  
I think I'm gonna explode

No life of my own, my future is gone  
Just wreckage from the past, this life will not last  
Ain't got no freedom, I just keep on dreaming  
Lost in a fading past, in a way this cannot last

Well, I don't care  
Not anymore  
My life's not fair  
I'll even the score

Well, I don't care  
Not anymore  
My life's not fair  
I'll even the score, score

You can't take it, I can't take it  
I think I'm out of control  
You can't take it, I can't take it  
I think I'm gonna explode

You can't take it, I can't take it  
I think I'm out of control  
You can't take it, I can't take it  
I think I'm gonna

You can't take it, I can't take it  
I think I'm out of control  
You can't take it, I can't take it  
I think I'm gonna explode

You can't take it, I can't take it  
I think I'm out of control  
You can't take it, I can't take it  
I think I'm gonna explode
