"The End Of White Supremacy"

Visit "[The End Of White Supremacy](#)" on MotoLyrics.com

No group or race of people
Should ever rule the world
The end of white supremacy
The fall of the KKK and nazism
A human dream come true
The end of white supremacy
I've talked about racism
For years and years
But you still don't learn
It is wrong to hate
Another human being
Because of color or country
They were born
Now I'm going to become
A threat to your lies
Equality and interracial love
Is the answer to save our world
The end of white supremacy
