Punks are on the streets
And the skins are out there too
Drinking on the beat
And you'll wanna be there too

Punks are on the streets
The skins are out there too
Swilling beers for fun
United as one

Rockin' to the oi beat
We're goin' out tonight
We got the boys together
And everything will be all right

Punks are on the streets
Skins are out there too
Swilling beers for fun
United as one

Go

Gonna take this town
And we're gonna burn it down
We're the rebel warriors
The best there is around

The punks are on the streets
The skins are out there too
Swilling beers for fun
United as one
