Oh, my soul hungered,  
My heart cried out:  
"Please Lord, release me  
From pain and from doubt."  
Oh, my soul hungered  
The moment I knelt down to pray,  
And felt all my doubts Wash away.

Oh, my soul hungered,  
He heard my cry.  
The voice of the Lord  
Spoke peace to my mind.  
Oh, my soul hungered-  
Things that were old became new  
When I learned to feel  
What I already knew.

With all my heart,  
With all my soul,  
I wrestled before the Lord  
To make my life whole.  
He filled my hunger-  
He fed my soul.  
He fed my soul.

The truth that belonged  
To everyone else  
Is now a sacred part of myself.  
Oh, I found out what I could not find,  
When I heard with my heart  
What I knew in my mind.  
With all my heart,  
With all my soul,  
I wrestled before the Lord  
To make my life whole.  
He filled my hunger-  
He fed my soul.  
He fed my soul.

Oh, my soul hungered.
