Can you hear the prayer of the children? Bended knee,  
In the shadow of an unknown room. Empty arms with no  
tears to cry  
turning heavenward for the light,  
Cry Jesus help me to see the morning light one more  
day  
but if I should die before I wake, I pray my soul to take.  
can you feel the hearts of the children  
aching for home for something for something of their  
very own  
reaching hands with nothing to hold on to,  
but hope for a better day a better day.  
Cry Jesus help me to feel the love again in my own light.  
but if unknown roads lead away from home  
give me loving heart away from hard.

Can you hear the voice of the children?  
Softly pleading for the silence of the shattered world,  
angry gongs preach the gospel full of hate  
blood of the innocent on their ends.  
Cry Jesus help me to feel the sun again on my face  
for when darkness clears I know your near ringing  
peace again  
Can you hear the prayer of the children.
