Got a couple groupies, so here you can take of  
And roll this weed up, my smoke take me up, I put my

Chorus:  
Hey, hey, hey, never... be that nigger that you can't  
believe  
And never... why I do that  
And you ain't this, and you ain't that,  
Say I did this, and I did that  
It's... chilling my nigger
