Hold up, roll up, yeah I get that gwap oh

The one that's red be flexing,  
That bitch bend the... yes she bring them bitch...  
Yeah I'm on like a flashlight,  
motherfuckers seen the... cause the bitch tight  
I mean she suck you up, she might let you fuck  
Just make sure the price right  
See what I learned from my og, if you find a bitch that's  
fucking for free  
Grab the girl by the hand,... the plan, make that bitch  
feel comfy  
All this week, cause I'm... she's taking head now she  
feel me  
Love the streets, magic city  
And all the cash it come to me  
Man I love this chick feel cheap, but you fuck niggas  
where my bitch sweet  
But she bad about it, no doubt about it

Pity you fools, mister...

I tell her aaaaahhhh  
I put her on the strip now  
I tell her aaaaaahhhhh, shit yeah  
... nigga...

I put her on the strip, now she work for me  
And I don't fuck with hoe that go to work for free  
You know I'm not a pimp but I be kicking pimping  
And my whole crew eating like it's thanksgiving  
Make her do, what I say, I don't play, no way  
Put my hands right on her waist,  
Put my paint right on her face  
Get a line, put her in a place

She give me brains on the interstate  
And I'm off getting out of state,  
Yeah, it's just how it is

I tell her aaaaahhhh  
I put her on the strip now  
I tell her aaaaaahhhhh, shit yeah  
... nigga...

Let me light my blunt, kushy, kushy  
... watch this bitch move...  
Yeah that bitch move, she fool  
Watch this bitch move, move  
Yeah that bitch move, move.
