Maria

When the day is beautiful and silent
Thousand dreams are gathering soul
It seems like has never ending
Blooded minds haunted sacred soul

Maria...
Spirit of dream
Maria...
Melted in the dark

Something hidden inside (frightened face)
I'm the woman (the powerless)

Become a flower crushed under
(under suffered) by shadow of grief
My heart of life is dying
My tear is still dripping down
Become a flower crushed under
(under suffered)

Maria... Maria... Maria...
