Someone

Someone that I can trust  
I don't have to search no more  
for someone like you

You are so strong - yes, you are  
You have so much to give  
You show me right from wrong  
You show me how to live  
I often tell my secrets  
Yes, you mean the world to me  
I bare my soul to you  
you know that special side of me  
And in my dreams I softly whisper your name  
I hear the words you say - and feel safe again

Chorus

You are someone to lean on  
someone to adore  
Someone that takes good care of me  
and knows what I wish for  
(I need) Someone that I can trust  
Yes, you know what to do  
I don't have to search no more  
for someone like you

You have an open mind  
You are for freedom of the heart  
Respecting all mankind  
You turn your life into an art  
You lived through peace and strife  
And always kept your dignity  
You knew how to survive  
and pass the knowledge onto me  
Without your love it wouldn't be the same  
That's why you're smilin' from my picture frame  
Repeat Chorus

There must be a reason  
That you make me feel so strong  
You gave me the power  
And all the strenght to carry on

Repeat Chorus
